- Flame Safeguard Controls
- 7800 Series FSG Authorized
- Commercial and Industrial HVAC Controls
- Residential Heating Controls
- Actuators and Valves
- Pneumatic Controls
- Trol A Temp
- Excel 5000
- Variable Frequency Drives
- Zoning

- 2-Way, 3-Way, 4-Way Solenoid Valves for Air, Water, Steam, Cryogenics and Combustion
- Pressure and Temperature Switches
- FRL's

- Flame Safeguard Controls
- Primary and Programming Controls
- Systems Controls
- Ultraviolet, Infrared, and Rectification Controls
- Kiln/High Temp Cameras
- Flameworx
- Nexus
- Burner Logix

- Gas Pressure Regulating Valves
- Axial Flow Valves
- Diaphragm Meters
- Turbine Meters

- Communicating - Thermostats
- Sensors - Transducers
- Building Controls

- Robertshaw
- Heating and Cooling Controls
- Gas Valves - Residential and Commercial

- Gas Pressure Regulating Valves
- Non-Venting Indoor Regulators
- Modulating Control Systems
- Balance Type Regulators

- Commercial and Industrial HVAC Controls
- Pneumatic Controls
- Actuators and Valves
- Zone Valves
- Variable Frequency Drives

- Commercial and Industrial HVAC Controls
- Pneumatic Controls
- Actuators and Valves
- Control Dampers / Smoke and Fire Dampers
- Refrigeration Controls

- Premium Efficient Motors
- Definite Purpose Motors
- Variable Frequency Drives

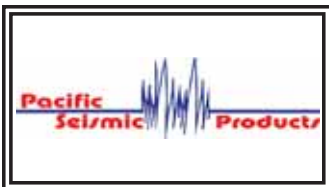

- Barber Coleman
- Robertshaw
- Pneumatic Controls
- Actuator and Valves
- Erie Valves

- Pressure Gauges - Switches and Transmitters
- Manometers and Air Filter Gauges
- Level Switches and Transmitters
- Flow Switches and Meters
- Combustion and Air Velocity Kits
- Love Controllers

- Combustion Valves and Actuators
- Solenoid Gas Valves
- Oil and Steam Valves

- Earthquake Valves

- Transformers
- Relays
- Electrical Components
- Wire / Thermostat / Shield / Plenum

- Test Instruments for the Combustion Process
- Handheld and Suitcase Portable Combustion Analyzers
  - o<sub>2</sub> CO<sub>2</sub> CO No<sub>x</sub> and SO<sub>2</sub>
- Measurement Instruments for HVAC
- Continuous Monitoring
